

## **A Love Song For Spring**

The newcomer Andrea Daniela releases "**Danke**", her first pop song. The Swiss singer, pianist, composer and producer directed the video clip and produced the song together with music producer Tony Martinez and DJ Bobo-producer Urs Wiesendanger. Musically stylistic as well as linguistically and culturally diverse, filled with catchy melodies and funky grooves are all associated with her signature style. For more information about her project visit [www.andrea-daniela.com](http://www.andrea-daniela.com).
